

Blue Mountain Tour

Eucalyptus Trees & Mountains that are Blue

If you are one who appreciates nature I would have to say the Blue Mountains are one of the most picturesque places in this country. Trees, Mountains, Valleys & Cliffs as far as the eye can see.

Katoomba is a 2 hour drive from Sydney. We suggest a 9:30 am departure from the City so that we arrive into Leura before 12:00 Midday. Leura is one of the oldest and most beautiful historic townships in the State of NSW. You can walk up and down the main street and visit antique stores, Churches, Café's, Bakery's, Book Stores and much more.

Leura

Once you are ready to move on we will head towards Katoomba where we visit the Tree Sister and take in the most breath taking views the Blue Mountains have to offer.

A must is taking a ride on the Skyway and the Steep train.

This tour will take you through the Inner West & Western suburbs of Sydney where 80% of the city's population reside.

On our trek back into town we will take a small detour into the Sydney 2000 Olympic village in Homebush where you will see the Stadium's and Arena's which are now used for Sporting Events and Concerts.
