

Hunter Valley Tour

Australia's Finest Wine Country

The Hunter Valley is located 2.5 hours north of Sydney. We suggest a 9:30 am departure from Sydney to arrive at the Valley around 12:00 noon where we will begin with a little wine tasting before lunch. Lunch is totally up to you. There are many choices of restaurants which we could recommend along the way.

After lunch we will visit as many wineries as you like where you can taste and buy as much wine and cheese as you wish. A must is the Smelly Cheese Shop at Tempus Two.

Tempus Two

This is a Private Tour so we can stay as long as you like and go where ever you wish, there are so many vineyards to mention so we strongly suggest not making too many plans and just allowing the day to unfold.
